<https://github.com/dexter816>

### Skills

#### Subjects:

- Data Structures
- Software Engineering,
- Operating Systems

**Development Environment:** Raspberry Pi, Linux (Ubuntu/Raspbian), Docker

**Languages:** C++ , C , Python(Intermediate) , Java(Beginner)

### Projects

#### Minions-bananas

<https://github.com/dexter816/minions-bananas>

a Github app build from pro-bot that listens for any pull request, checks all its commits for containing the word "test" and giving the status "passing" and "failing" based on it.

#### IRC\_scrapper

[https://github.com/dexter816/dgplug\\_practice](https://github.com/dexter816/dgplug_practice)

contains scrapper projects using python, to extract the count of total nicks present in IRC channel, and statistics associated with it.

#### Jaeger-opentracing-android

<https://github.com/dexter816/jaeger-opentracing-android>

The app then creates a span logs the details of the span generated, using jaeger-tracer, the logs for the app displays the working status of span creation.

#### Basic Operating System Development on Raspberry Pi

Learning fundamentals of C, Assembly

---

## Education

### Bachelor of Engineering (B.E), IT (2015 - 2019)

Jabalpur Engineering College

CGPA : 7.44/10

### XII (Senior Secondary), Science

Year of Completion: 2015

CBSE Board (Joy Senior Secondary)

Percentage : 91.20%

### X (Secondary), Science

Year of Completion: 2013

CBSE Board (Joy Senior Secondary)

CGPA : 10.00 (95%)

---

## Extra-Curriculars

- Represented college in Nodal and State level Volleyball and Handball Competitions.
  - Participated in IBM Hackathon, organised by IIITdm, used IBM Watson
  - Core Member of college technical club, worked in organising tech-talks..
  - Completed 'C' certificate examination of NCC
- 

## Awards And Achievements

- Was among the top 3 Scorers in 12th Boards from School.
  - Stood 2nd at school level in International Science Olympiad, with International rank 1807 in 11th Std.
  - Awarded certificate of merit by CBSE for performance in 10th Std.
- 

## Hobbies

Reading Non-Fiction books and Biographies, Watching TED talks, Playing, Teaching, Learning new language.

---

## Personal Information
